PC Gaming

I played CS:GO for a team (Venom Gaming Endeavor). We won our first tournament together called the Metanoia Charity cup 2019.
Played for Adapt CS:GO reached 1st div in vsgaming (top 20 in SA)
I usually play CS:GO when I do not have other work/ assignments that needs to be done.

I am going to do 2 subjects over this year for better marks to apply for Honours next year mean while I want to work and study if it is possible because I will have flexible hours to work
